Hello February!

This month's submission will include a quick recap of January as well as a list of things we are looking forward to in February! To begin, we would like to give a huge congratulations to our very own Jared den Otter and Alexia Henriquez for winning the confidence of the Queen's University to become the next AMS executive! We know these PHE students will do a fantastic job running this school and we are excited to see what they have planned for the future of this University.

As well, the end of January included a solid weekend of WAG! Congrats to those who participated in the event and the entire WAG committee for running a magical day.

We also cannot forget about ski trip, PHEKSA's Junior Athletics
Commissioners worked hard on this trip and it ran very smoothly. Looking at February we are excited for the Historic Hockey tournament happening this Saturday, February 8th. If you are looking for more information, please contact this year's captain. Brynn Rickard.

As well, reading week is quickly approaching! We wish all students a happy, safe and relaxing reading break.

Happy February!
Love,
Your PHEKSA Executive team,
Liv, Brynn and Jared
