Welcome to March PHE/Kin!

We want to wish everyone a happy last couple of weeks of class! It seems like this semester has flown by so far. Here are a few updates and shout outs regarding all that has happened through February and the beginning of March:

First of all, huge congratulations and thank you to everyone who participated in or helped organize Motionball Marathon of Sport this year! The event, which took place on March 1st, raised over \$28,000 for the Special Olympics.

Furthermore, we would like to congratulate our incoming PHEKSA executive members on running successful campaigns!

Kristina Miakischeva as the incoming Vice President of University Affairs, Stuart Mladen as the incoming Vice President of Operations and Ethan Cooney as the incoming PHEKSA president. We know you will do a fantastic job and we cannot wait to see what you accomplish in this position.

That's all from us this month!
